CARIBBEAN RETREAT SHACKING UP

The term 'shabby-chic' might have been coined for Jakes, Jamaica's laid-back clutch of cottages loved by the likes of Jade Jagger and Kate Moss. Now it's come up with 'shack-chic' and at a fraction of the price. Jack Sprat Shack (from £21, jakeshotel.com) sits next door, with six twin-bed rooms and, if you're up for sharing, two dorms with 20 bunk beds. We're not sure you'll see Kate in the dorms, but the Shack does share Jakes's bar and restaurant.
